Medical Equipment	Accessible to which disability types?						EXAMPLES							
	Model available with accessible features?		Assisted Mobility		Unassisted Mobility		Dexterity	Hearing	Vision	Cognitive	Manufacturer/Distributor	Model or Item #	Website	Accessibility Features
Many pieces of medical equipment used for bariatric patients have not been included in this list because that market is well defined and outside of the scope of this project at this time.														
<b>Cardiac/Fitness</b>														
Elliptical trainer	X	X	X	X							BioStep	Semi-Recumbent Elliptical	<a href="http://www.biomed.com/rehab/cycles/cycles_200feat.htm">http://www.biomed.com/rehab/cycles/cycles_200feat.htm</a>	Seat rotates to each side Low step-through design Grab handles for transfers Movable armrests, trunk belt, foot straps, and handgrips available Automatic controls Simple, easy to read display
	X	X	X						X		Cybox	Total Access Total Body Arc Trainer	<a href="http://www.cyboxintl.com/Products/ta/630Ai/intro.aspx">http://www.cyboxintl.com/Products/ta/630Ai/intro.aspx</a>	Raised console icons and color allow easy identification of main controls by color, large buttons, and large text Color contrasted foot pedals Static side handles offer stability during mounting, dismounting, and exercise Locking mechanism for foot pedals provides stability
Rower														
Stair stepper														
Stationary bicycle	X	X	X								SportsArt Fitness	C530r Cycle	<a href="http://www.promedproducts.com/s.nl/it.l/id.818/f">http://www.promedproducts.com/s.nl/it.l/id.818/f</a>	Step-through design
	X	X	X								Schwinn	231 Recumbent Exercise Bike	<a href="http://www.schwinnfitness.com/schwinn-fitness/equipment/recumbentbikes/prdcdovr-370005/Schwinn+231+Recumbent+Exercise+Bike.jsp">http://www.schwinnfitness.com/schwinn-fitness/equipment/recumbentbikes/prdcdovr-370005/Schwinn+231+Recumbent+Exercise+Bike.jsp</a>	Step-through design Padded seat Lumber support seat back
	X	X	X								NuStep	TRS 4000	<a href="http://www.nustep.com/product/trs4000/">http://www.nustep.com/product/trs4000/</a>	Seat 20" to 22" high, swivels 90 degrees to either side
	X	X	X						X		Cybox	Total Access Upright Cycle	<a href="http://www.cyboxintl.com/Products/ta/530Ci/intro.aspx">http://www.cyboxintl.com/Products/ta/530Ci/intro.aspx</a>	Raised console icons and color allow easy identification of main controls by color, large buttons, and large text Color contrasted handlebar grips Large text and raised numbers on seat positioning device Heel straps on foot pedals Central seat adjustment allows user to change seat height with either hand
	X	X	X						X		Cybox	Total Access Recumbent Cycle	<a href="http://www.cyboxintl.com/Products/ta/530Ri/intro.aspx">http://www.cyboxintl.com/Products/ta/530Ri/intro.aspx</a>	Raised console icons and color allow easy identification of main controls by color, large buttons, and large text Color contrasted handlebar grips Large text and raised numbers on seat positioning device Heel straps on foot pedals Central seat adjustment allows user to change seat height with either hand
	X	X	X						X		Scifit	ISO7000R	<a href="http://www.scifit.com/medical/recumbentbikes/IFI.shtml">http://www.scifit.com/medical/recumbentbikes/IFI.shtml</a>	Tactile and color coordinated overlap Adjustable oversized recumbent swivel seat with side handles Step-through design
Treadmill	X	X	X								SportsArt Fitness	T650m Treadmill	<a href="http://www.promedproducts.com/s.nl/it.l/id.823/f">http://www.promedproducts.com/s.nl/it.l/id.823/f</a>	Adult and pediatric handrails
	X								X		Cybox	Total Access Treadmill 445T	<a href="http://www.cyboxintl.com/Products/ta/445Ti/intro.aspx">http://www.cyboxintl.com/Products/ta/445Ti/intro.aspx</a>	Multiple belt logos ensure one logo is always completely visible so that visually impaired users can recognize if belt is moving Raised console icons and color allow easy identification of main controls by color, large buttons, and large text Provides emergency stop for users with limited upper limb function Running deck and belt are color contrasting

# First Draft for Healthcare Summit

Medical Equipment	Accessible to which disability types?							EXAMPLES			
	Model available with accessible features?	Assisted Mobility	Unassisted Mobility	Dexterity	Hearing	Vision	Cognitive	Manufacturer/Distributor	Model or Item #	Website	Accessibility Features
<b>Rehabilitation</b>											
Balance system	X	X	X		X			Biodex	Balance System SD	<a href="http://www.biodex.com/rehab/balance/balance_300feat.htm">http://www.biodex.com/rehab/balance/balance_300feat.htm</a>	Visual Biofeedback Locking surface for entry and exit Height adjustable support handles
Fluidotherapy tanks											
Free weights	X	X	X					Rehabmart	Clinica Combination Weight Rack with Mirror	<a href="http://www.rehabmart.com/product/6091.htm">http://www.rehabmart.com/product/6091.htm</a>	
Hand therapy tables	X	X	X	X				Rehabmart	Horseshoe Therapy Table	<a href="http://www.rehabmart.com/product/12848.htm">http://www.rehabmart.com/product/12848.htm</a>	Height adjustable legs 26" to 34"
Hydrotherapy chairs	X	X	X					Ferno	Model 196 Battery Operated Chair Lift	<a href="http://www.fernoperformancepools.com/specsheets/196.pdf">http://www.fernoperformancepools.com/specsheets/196.pdf</a>	Designed to reduce caregiver back strain Armrests can be positioned for patient security or therapist accessibility 3 safety belts
	X	X	X					Ferno	Model 197 Battery Operated Stretcher Lift	<a href="http://www.fernoperformancepools.com/specsheets/197.pdf">http://www.fernoperformancepools.com/specsheets/197.pdf</a>	Designed to reduce caregiver back strain Stretcher position adjustable on both ends 3 safety belts
Isokinetic dynamometer			X					Biodex	System 4 Isokinetic Dynamometer	<a href="http://www.biodex.com/rehab/system4/system4_feat.htm">http://www.biodex.com/rehab/system4/system4_feat.htm</a>	
Parallel bars	X	X		X				Rehabmart	Height Adjustable Parallel Bars	<a href="http://www.rehabmart.com/product/12736.htm">http://www.rehabmart.com/product/12736.htm</a>	1.5" diameter handrails Height adjustable handrails
Pilates											
Traction devices											
Unweighing system	X	X	X					Biodex	Unweighing System	<a href="http://www.biodex.com/rehab/unweighing/unweighing_470feat.htm">http://www.biodex.com/rehab/unweighing/unweighing_470feat.htm</a>	Adjustable and movable patient handrails Provides different features to provide safer access and use for therapist
Weight/resistance/strength training	X	X	X					Rehabmart	Rickshaw (aka PowerFit) Rehab Exerciser	<a href="http://www.rehabmart.com/product/18361.htm">http://www.rehabmart.com/product/18361.htm</a>	Inside width 30"
	X	X	X					Apex Designs Inc.	CH7000 Challenge Circuit	<a href="http://www.apexeq.com/">http://www.apexeq.com/</a>	Allows a wheelchair user to use the machine without transferring out of the wheelchair Enables individuals with varied arm and hand strength to perform at a comfortable level with little or no assistance
	X	X	X					GPK Inc.	Uppertone	<a href="http://www.gpk.com/upptone.htm">http://www.gpk.com/upptone.htm</a>	Allows C4-5 and below quads to do 16 exercises without assistance or cuffs Two weight sets: one for left and another for right side Height and weights adjustable in small increments
	X	X	X			X	X	Cybox	Total Access Cable Column	<a href="http://www.cyboxintl.com/Products/ta/14220/intro.aspx">http://www.cyboxintl.com/Products/ta/14220/intro.aspx</a>	Provides large stability handles that can be used from a seated height Large type instructions, including graphic instructions Laser cut numbers on vertical height adjustment pole Height adjustment lever can be operated with one hand
	X	X	X				X	Cybox	Total Access Row	<a href="http://www.cyboxintl.com/Products/ta/14030/intro.aspx">http://www.cyboxintl.com/Products/ta/14030/intro.aspx</a>	Choice of upper and lower handle positions Reversible chest pad adjusts to short and tall users Large seat base Large type instructions, including graphic instructions
	X	X	X		X	X	X	Cybox	Total Access Lat Pull	<a href="http://www.cyboxintl.com/Products/ta/14130/intro.aspx">http://www.cyboxintl.com/Products/ta/14130/intro.aspx</a>	Lever operated single arm handle height adjustment can be adjusted from seated position Adjustable knee restraint Raised numbering with large fonts Large type instructions, including graphic instructions
